CertifySphere

IT Consulting & Training Solutions

This is to certify that Arun Jain has successfully completed the Summer CodeCamp Internship at CertifySphere.

Duration: July 3rd, 2023, to August 6th, 2023

During this internship, Arun Jain displayed dedication, enthusiasm, and a strong commitment to learning and contributing. He actively engaged in coding projects and collaborated effectively within a team of fellow summer interns. He gained proficiency in key technologies including React, Node.js, Express.js, PostgreSQL, and other relevant tools. Using these skills, he tackled a real-world problem by developing a functional application. Furthermore, Arun confidently presented his work to both team members and senior personnel, concluding his internship on a positive note.

Arun Jain's dedication and accomplishments during this internship are indicative of qualities that will undoubtedly propel him towards success in his future endeavors.
